Hundreds Enjoy Mad Scientist Super Saturday

Congratulations to PHS nurse Lana Watts who earned her certification as a National Board Certified School Nurse.

PHS Senior Hunter Blades stands with PHS band director John Taylor on the steps of his Eagle Scout project - an observation tower to assist the directors in viewing the band as it rehearses for half-time shows.

Pictured are Commanding Officer of the Seabee Base, PHS NJROTC Cadet Matthew Stewart, Cadet Jimmie Brown, and Cadet Tyler Shumock, who won first place in the Seabee Volkslauf MUDRUN in Gulfport. The 5-mile course features mud, mounds, rivers of water, etc.
