

Pascagoula-Gautier School District

Supt. Wayne Rodolfich

PGSD E-Newsletter

September 1, 2017

Volume 2, Issue 9

DESTINATION GRADUATION!

Members of the first (1997) graduating class of Gautier High School, celebrated the school's 20th birthday by unveiling a composite of their classmates. Although they were the first class to graduate, the class composite was never made. Gautier City Councilman Casey Vaughan and a 1997 graduate, worked with the PGSD to get the composite made. They were joined by some former teachers, former principals, Wayne Rodolfich, Bernard Rogers, Myrick Nicks, Boyd West and current GHS principal, Al Sparkman.

Join the PGSD as we raise money for the teachers, children and families of the Clear Creek Independent School District in League City, Texas. Above is a photo of the flooding in the area from Hurricane Harvey. We will raise money through a friendly competition between the schools in Pascagoula and Gautier, with the winner announced at the Singing River Classic Friday, Sept. 8. #hopefromtheRiver2theCreek!

The PGSD presents Super Saturday Mad Scientist

September 9, 2017
