GHS Bests PHS in Hurricane Relief Efforts PGSD Raises Over \$10,000 for Hurricane Harvey Victims

The Pascagoula-Gautier School District adopted Clear Creek Independent School District in League City, Texas, to help in the aftermath of Hurricane Harvey. As an added incentive to collect money, PHS and GHS entered into a friendly wager, with the principal of the losing high school, (Anthony Herbert, PHS) kissing the mascot of the winning high school (GHS). Thank you PGSD for your amazing generosity! Keesler Federal Credit Union also presented the PGSD with a check for \$1,000 to help Clear Creek ISD. #hopefromtherivertohecreek!
