## Contingency Plan in Case of Inclement Weather

Please be advised that the Pascagoula-Gautier School District is closely monitoring the weather for the PHS graduation ceremony. Spring storms are unpredictable, and we will hold graduation ceremonies on the field unless torrential rain and lightening strikes cause us to use the PHS

gym. Four tickets per graduate will be given to students at the 7:30 a.m. Thursday graduation rehearsal which can be used to view the graduation ceremony in the gym. For those unable to view graduation in the gym, the district will provide a YouTube live feed in the Aaron Jones Family Interactive

Center across from PHS. The district will send out a **weather alert at 4 p.m.** via phone message, Facebook, website and Twitter if the weather changes plans to have graduation on the field. Thank you for your cooperation so our seniors may enjoy a safe, joyful graduation.
